Sponsored by:

17-year old Jonathan has a car but, unfortunately it is not in the best condition. Inspired by the popular MTV show, "Pimp My Ride," Jonathan has wished to have a car makeover. Later this month, wishgranters will make Jonathan's wish come true. The makeover will include body work, a new shiny paint job, tires, new interior, sound system and a new air condition unit. As you can see from the "before" pictures below, we have our work cut out. There is no doubt, that Jonathan's car makeover will be everything he is wishing for. We look forward to sharing the "after" pictures soon.
