*This December, 17 year-old Julio will experience the trip of a life time. Julio, along with mom, dad and sister will pack their bags and head to Italy for 7-nights/8-days jammed pack with breathtaking sights, delicious food and authentic Italian culture. *Julio can't wait for December to come. He spends time on the Internet researching the Italian culture and other sights to see while in Italy. He has promised to take lots of pictures to commemorate his trip and share with you. We look forward to sharing these photos with you upon his return.*

*Battling Hodgkins Lymphoma is not an easy task. A wish gives our kids the hope, strength and joy needed in these tough times. Thank you for sponsoring Julio's wish!*
