At Waiora's National Sales Conference on March 7, 2009, Stan Chernelstein, President and CEO of Waiora, unveiled the corporation's year-long partnership with the Make-A-Wish Foundation of Southern Florida in front of more than 1,000 Waiora distributors from all over the world. The \$60,000 donation will grant a wish per month for the next 12 months.

"We're thrilled about our relationship with the Make-A-Wish Foundation! From all the feedback we've received from our National Conference attendees, one of the main highlights was when we introduced Make-A-Wish as our new charity," Chernelstein said. "Our people were touched by the presentation, and they are excited about this opportunity to make a sincere and genuine difference in a child's life. The fact that we can put names and stories to the wishes we grant makes it personal and all the more worthwhile."

There is also a second component to Waiora's partnership with the Foundation. Through a program called "A Wish for Change," each Waiora distributor can choose to donate the change from their commission checks to the Southern Florida chapter.

Make-A-Wish Foundation Vice-President of Development Wanda Trouba accepts the donation from Stan Chernelstein, President and CEO of Waiora

Andrea enjoys her trip to Walt Disney World®

Waiora's generosity will create magical moments for 12 children including Andrea who wished to go to *Walt Disney World®*:

Andrea is an adorable 5-year-old from Fort Lauderdale who wished to go to *Walt Disney World®* because she wants to be a princess when she grows up. She and her family traveled to Orlando for a week of fun and excitement. They stayed at Give Kids The World, a special village that caters to children and families with special needs. With front-of-the-line passes, they visited all the Orlando theme parks. Andrea's fairy godmothers

transformed her into a princess at the Bibbidi Bobbidi Boutique where she picked out a beautiful gown and got her hair, makeup and nails done. After her royal makeover, she attended a tea party with her favorite Disney princesses. At the Akershaus Restaurant in Epcot®, she shared lunch with Belle, Cinderella, Ariel and Pocahontas. Andrea's trip was an adventure she will never forget!

About Waiora

Headquartered in Boca Raton, FL, Waiora is a growing, global company providing superior, natural products for a better life and an unparalleled opportunity for a better lifestyle. Combining high-quality, science-based, anti-aging solutions with a unique business opportunity, Waiora develops premium products, specifically for person-to-person distribution with the mission of helping people to rediscover their youth, life and future.
